

# Getting Free Designing Tool for Your Website

❖ Free Designing Tools

## How to design logos, infographics, animated video and banners using free templates?

In every website there would be a need to design custom logos, infographics, banners and videos. What if I told you, you can do it for free with a custom template database available at your disposal?

Go to the following link to design your custom banner, logos, videos and get free templates:

- [Canva](#) (Click here to visit)

Do you need a live **2 day one-one Canva** and **other advanced free designing tools** class that professional graphic and web designers use. Do you want to be able to design a professional looking infographic, logos, banners, social media graphics, website graphics etc for your business, for your clients, or as a freelancer? You don't need any paid advance software to do any graphical work.

If you need any assistance, contact me on <https://dhillongeet.xyz/contact> or use the live chat option on the website or click on the following icons to connect via the appropriate social media.
