

# Getting Free Graphic Resources for Your Website

❖ Images and Videos

## Where to get free Images and Videos?

The most important factor while creating a website with a good design is to have good images, illustrations and videos. It is a mandate that you use images and videos which are royalty free and is allowed by the author to be used on your website, else you might face legal troubles.

Here is a list of websites to get royalty free images, illustration, vectors, audio and videos:
